

California Community Power Geothermal Capacity RFI

Shortlisting Delay Notice

New Shortlist Notification Now July 14, 2025

June 30, 2025 – On May 30, 2025, California Community Power (“CC Power”) launched its Geothermal Capacity Request for Information (“RFI”) for geothermal power projects as part of a broader Geothermal Strategic Initiative. Given the robust response from the geothermal market, CC Power needs to delay the shortlisting deadline to review the numerous responses received in the RFI.

The new shortlisting deadline is **July 14, 2025**. We thank you for your participation in the RFI and look forward to moving forward in the process.
