About California Community Power

California Community Power is a joint powers agency comprised of nine California CCAs. CC Power combines its members’ buying power to procure new, large-scale, complex, emerging technology, hard-to-find, or CCA-owned resources to advance local and state energy goals. CC Power members serve approximately 12% of the California Independent System Operator’s (CAISO) electrical needs, covering 2.7 million customers and 112 municipalities spanning from Humboldt County to Santa Barbara County in California. Our members serve a combined load of over 31,000 gigawatt hours (GWh) per year. Learn more at www.cacommunitypower.org.
